Alumnae Pave the Way!

Whether it was the academic or athletic bar that you set or the leadership you provided, you have paved the way for those who have came after you.

A wonderful **way to keep your memory alive** is to purchase a personalized paver for the walkway in the island at Mt. Erin. The island was transformed into a beautiful landscaped retreat area for students by the PTO and will be used by generations of Shamrocks to come!

Commemorate any important milestone or memory by purchasing a rose brick paver or paver block. For more information contact Joyce Horner at 832-2143 or horner@uiwtx.edu.

I want to make sure my student is remembered by those who follow her!
