

# Take Your Seat in IWHS History

The tradition of the Changing of the Chairs is as much a part of the Shamrock heritage as is the breakfast Advisories, the Junior Ring Ceremony and Senior Sign-Out.

With the renovation of the gymnasium this summer, you have the opportunity to literally take a seat in IWHS history. The historic folding chairs — the only ones ever used — are being replaced with updated seating and will be made available to alumnae and students for \$30. Each chair will include a specially engraved plate with your name and class year.

You can take delivery of your seat in history in September. Questions? Contact Mrs. Comas Wood in the IWHS Development office at 210. 832. 2143.

**I want My Seat in IWHS History!**  
Below is my name and class year.
