Students & Alumnae Pave the Way!

Whether it is the academic or athletic bar set by your daughter or the leadership she provides to classmates, your daughter is paving the way for those who will come after her..

A wonderful **way to honor her** is to purchase a personalized paver for the walkway in the island at Mt. Erin. The island was transformed into a beautiful landscaped retreat area for students by the PTO and will be used by generations of Shamrocks to come!

Commemorate any important milestone or memory by purchasing a rose brick paver or paver block. For more information contact Joyce Horner at 832.2143 or horner@uiwtx.edu.

I want to make sure my student is remembered by those who follow her!
