

A Talk Especially For Parents

RAISING PURE TEENS

Featuring Jason Evert

Today's teens experience greater temptations than ever before. In the midst of this cultural assault against innocence and virtue, young people need convincing reasons to practice the virtue of chastity. Some think that "chastity" simply means "not having sex." But that's mere abstinence: what you can't do and can't have. Chastity is more than that, it is about what you can do and have—right now: a lifestyle that brings freedom, respect, peace, and romance without regret.
